“
On three occasions we used the services of "Shree Lakshmi Catering." For the celebration of our 50th anniversary In 2007, for the reception after my partner's funeral In 2011 and for the party for my 80th birthday In 2013. We requested vegan food. All the guests were unanimous in declaring that the food was superb. It was very tasty and there was a good variety. It was served on time and was plentiful.

“
The service is as extraordinary as their menu. Shree Lakshmi Catering's food is local, healthy, delicious, colorful, alive and was a big point of discussion among our clients. The beet and carrot salad was a huge hit, and everyone commented on how they have never had such tasty healthy food at an office event.

“
Shree Lakshmi Catering's food is delicious! My guests and I loved the food and there were plenty of leftovers! The Service provided was right on time, they set it all up for me, and picked it up right away! Thank you, Shree Lakshmi Catering, for taking the stress out of cooking and cleaning! I will be ordering again for my next catering event!
